NOTES :

1. In view of the global outbreak of the Covid-19 pandemic, social distancing is a norm to be followed. Accordingly, the Ministry of Corporate Affairs (MCA), vide its General Circular No. 14/ 2020 dated April 8, 2020 and 17/ 2020 dated April 13, 2020, followed by General Circular No. 20/2020 dated May 5, 2020 read with General Circular No.02/2021 dated January 13, 2021 has permitted the holding of the Annual General Meeting ("AGM" or "meeting"), through Video Conferencing ("VC")/Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. Further the ministry of Corporate Affairs (MCA), vide its General Circular No. 2/2022 allowed companies whose AGMs are due in the Year 2022, to conduct their AGMs on or before 31st December, 2022 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020. Members participating through the VC/OAVM shall be reckoned for the purpose of quorum under Section 103 of the Companies Act, 2013 ("Act"). In accordance with the said circular of MCA, SEBI and applicable provisions of the Companies Act, 2013 (the 'Act') and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations'), the 34th AGM of the Company shall be conducted through VC/OAVM (hereinafter called 'AGM'). Central Depository Services (India) Limited ("CDSL") will be providing facility for voting through remote e-voting, participation in the AGM through VC/OAVM facility and e-voting during the AGM. The procedure for participating in the meeting through VC/OAVM is explained at Note No. 27 below.
2. In terms of sections 101 and 136 of the Act, read with the rules made thereunder, the listed companies may send the notice of AGM and the annual report, including financial statements, boards' report, etc. by electronic mode. Pursuant to the said provisions of the Act read with aforesaid MCA Circulars, SEBI Circular dated 12th May 2020, 15th January 2021 and 13th May, 2022, Notice of 34th AGM along with the Annual Report for FY2022 is being sent only through electronic mode to those members whose email addresses are registered with the Company/depositories. Members may note that the Notice of the 34th AGM and Annual Report for FY2022 will also be available on the Company's website at www.sfgl.in.net, website of the stock exchange i.e., www.mse.in and on the website of CDSL at www.evotingindia.com. In this notice, the term member(s) or shareholder(s) are used interchangeably.

SUN FINLEASE (GUJARAT) LIMITED

3. The deemed venue for 34th AGM shall be the Registered Office of the Company at 3, Ravipushp Apartment, B/s. Navneet House, Memnagar, Ahmedabad-380052.
4. Pursuant to the provisions of Section 91 of the Companies Act, 2013, the Register of Members and Share Transfer Books of the Company will remain closed from Friday, 23rd September, 2022 to Thursday, 29th September, 2022 (Both days Inclusive).
5. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
6. To support the 'Green Initiative', the Company requests those Members who have not yet registered their e-mail address, to register the same directly with their DP, in case shares are held in electronic form and to the Company, in case shares are held in physical form. Further, members holding shares in electronic form are requested to notify the changes in the above particulars, if any, directly to their Depository Participants (DP).
7. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to ravi@ravics.com with a copy marked to sfgl.1988@gmail.com
8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and pursuant to above mentioned MCA Circulars the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
9. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
10. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
11. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
12. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before Monday, September 19, 2022 (upto 05:00 P.M.) through email on sfgl.1988@gmail.com. The same will be replied by the Company suitably.
13. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
15. MEMBERS HOLDING SHARES IN PHYSICAL FORMS ARE REQUESTED TO AVAIL DEMATERIALIZATION FACILITY.
16. Pursuant to Sections 101 and 136 of the Act read with the relevant Rules framed thereunder, the Annual Report for FY 2021-22 and the Notice of the AGM, inter-alia indicating the process and manner of Remote e-voting are being sent by e-mail to those Members who have registered their e-mail ID either with the Company or with the Depository unless the Member has requested for a hard copy of the same. For Members who have not registered their e-mail ID, physical copies of the Annual Report for FY 2021-22 and the Notice of the AGM, inter-alia, indicating the process and manner of Remote e-voting along with the attendance slip and will be sent in the permitted mode.
17. Pursuant to the "Green Initiative" taken by the Government, members are requested to register / update their e-mail IDs with the Company / Depository Participant / RTA which will be used for the purpose of sending the communications in future.
18. Notice of the AGM and Annual Report of the Company, is made available on the Company's website, <http://www.sfgl.in.net> for download.
19. As an austerity measure, copies of the Annual Report will not be distributed at the Annual General Meeting. Members are requested to bring their copy of Annual Report to the Meeting.
20. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic mode are, therefore, requested to submit their PAN to their DPs with whom they are maintaining their demat accounts. Members holding shares in physical mode can submit their PAN to the

SUN FINLEASE (GUJARAT) LIMITED

Company / Bigshare Services Pvt. Ltd. (“RTA”).

21. Shareholders can register their complaints, if any, on an exclusively designated e-mail ID, sfgl.1988@gmail.com
22. The Company has appointed Mr. Ravi Kapoor, Practicing Company Secretary (Membership No. F2587) and Proprietor of M/s. Ravi Kapoor & Associates, Ahmedabad to act as the Scrutinizer for conducting the electronic voting process in a fair and transparent manner.
23. The Scrutinizer’s decision on the validity of the vote shall be final.
24. Once the vote on a resolution stated in this notice is cast by shareholder through Remote e-voting, the shareholder shall not be allowed to change it subsequently and such e-vote shall be treated as final. The Members who have cast their vote by Remote e-voting may also attend the Meeting; however, such member shall not be allowed to vote again.
25. The Scrutinizer will submit his report to the Company after completion of the scrutiny and the Results will be declared by the Company on its website, <http://www.sfgl.in.net>, within 48 hours of the conclusion of the AGM.
26. In compliance with Section 108 of the Act, read with corresponding rules, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘the Listing Regulations’), the Company has provided a facility to its members to exercise their votes electronically through the electronic voting (e-voting) service facilitated by the Central Depository Services India Limited (CDSL). 27. MANAGEMENT DISCUSSION & ANALYSIS REPORT:

Pursuant to Regulation 34 and Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis Report is as follows:

INDUSTRY OVERVIEW:

The Company is engaged in the business of investment in shares & securities and providing loans and advances. The Company is registered as Non-deposit taking Non-Banking Finance Company with the Reserve Bank of India. Since the asset size of the company is not more than ₹ 500 crores, it is presently Non Systemically Important Non Deposit taking NBFC.

SUN FINLEASE (GUJARAT) LIMITED

NBFCs have been playing a complementary role to the other financial institutions including banks in meeting the funding requirements of the economy. They help in filling the gaps in the availability of financial services that otherwise occur in the unbanked & the underserved areas.

NBFCs have played a critical role as a key contributor to the economy by providing a fillip to infrastructure, employment generation, wealth creation and access to financial services to the rural and weaker sections of the society. The health and success of the NBFC sector has far-reaching implications on the inclusive development of the economy, financial inclusion of diverse population segments, capital formation and eventually the growth in GDP.

The NBFC segment has witnessed considerable growth in the last few years and is now being recognized as complementary to the banking sector due to implementation of innovative marketing strategies, introduction of tailor-made products, customer-oriented services, attractive rates of return on deposits and simplified procedures, etc

BUSINESS:

The Company is engaged in the business of investment in securities and providing loans and advances. The Company is registered as Non-deposit taking Non-Banking Financial Company with the Reserve Bank of India. Since the asset size of the company is not more than ₹ 500Crores it is presently Non Systemically Important Non Deposit taking NBFC.

OPPORTUNITIES & THREATS:

Opportunities:

The Indian economy has been on a positive trajectory in the amount of formal credit deployed, supplemented by rising consumer disposable income and ease of access to credit. However, despite overall credit growth, India still remains under-penetrated in retail and MSME lending, with household credit to GDP ratio lagging several major emerging and developed economies. The opportunity has driven several non-banks to enter the retail lending space, through the use of innovative lending models and product innovation.

Threats:

The emergence of new-age digital lenders has further intensified the competition for NBFCs in the market. Primarily FinTech companies, these digital lenders are attempting to gain a share of the lucrative opportunity in the Indian lending market through their mastery of data and technology. These start-ups conduct off-balance sheet and on-balance sheet lending; powered by innovative processes to deliver a captivating customer experience, quick turnaround time, reduced fees and increased transparency. The threat posed by such lenders is seen in the form of an estimated market share of nearly INR70 trillion over the next five years.

Business conditions continue to be challenging and Business growth will depend on the recovery of the global economies. The growth of the Company is subject to opportunities and threats as are applicable to the industry from time to time.

OUTLOOK:

From the reports available in public domain, it is believed that the global economic recovery is in its way. It is only hoped that the growth momentum gathers, steam soon and fast.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

At present the Company is carrying out its operations in only one segment, namely; Dealing in Shares and Securities (Finance & Investment).

RISKS & AREAS OF CONCERN:

With recent events increasing scrutiny on NBFCs and their operations, it is imperative for them to build robust risk and governance models as they grow their lending business; some of the risks that they need to manage include credit risk, vendor risk, conducting periodic compliance reviews, performing quality control checks to ensure process adherence and information integrity.

The Company is exposed to specific risks that are particular to its businesses and the environment within which it operates, including capital market volatility, economic cycle, and credit risk. The Company manages these risks by maintaining a conservative financial profile and by following prudent business and risk management policies.

INTERNAL FINANCIAL CONTROL SYSTEMS AND ADEQUACY:

The Company has disciplined approach to costs and follows prudential norms in every sphere of its activities. The Profit making is put at the center of decision making. The costs are budgeted, reviewed and monitored. The Company has established internal control systems for ensuring optimum use of resources and safeguarding the assets. The Internal Control Systems and procedure are adequate and commensurate with the size of the Company. These business control procedures ensure efficient use and protection of the resources and compliance with the policies, procedures and status.

HUMAN RESOURCE / INDUSTRIAL RELATIONS:

The Company recognizes the importance and contribution of its human resources for its growth and development and is committed to the development of its people. The Company has cordial relations with employees and staff. There were no HR relations problems during the year and the Company does not anticipate any material problems on this count in the current year.

SUN FINLEASE (GUJARAT) LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of **SUN FINLEASE (GUJARAT) LIMITED**

REPORT ON THE AUDIT OF THE IND AS FINANCIAL STATEMENTS

Opinion

We have audited the financial statement of SUN FINLEASE (GUJARAT) LIMITED ("the company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein referred to as "Ind AS financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the matter so required and give a true and fair view in conformity with the state of affairs of the Company as at March 31 2022, and loss including other comprehensive income, its cash flow and (the change in equity) for the year ended on that date.

Basis for the Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Ind AS financial Statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We report that there are no key audit matters.

Information other than the standalone Ind AS financial statements and auditors' report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. Based on the representations received from the Company's Management and Board of Directors, we expect to receive the 'Other Information' subsequent to the date of our audit report. Accordingly, we are unable to comment on any inconsistencies or uncorrected misstatements, if any, in such 'Other Information'.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are also responsible for overseeing the Company's financial reporting process.

SUN FINLEASE (GUJARAT) LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

SUN FINLEASE (GUJARAT) LIMITED

Annexure B referred to in paragraph 2(f) under the heading 'Report on other legal and regulatory requirements' of our report of even date Report on Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of Sun Finlease (Gujarat) Limited (the 'Company') as of 31 March 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

Meaning of internal financial controls over financial reporting with reference to these Ind AS Financial Statements

A Company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and
- iii. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future period subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial Reporting with reference to these Ind AS financial statements and such internal financial controls over financial Reporting with reference to these Ind AS financial statements were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Financial Statements for the year ended March 31, 2022 are approved by the Board of Directors and authorised for issue on June 14, 2022.

2. Significant Accounting Policies

2.1 Basis of preparation:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) and presented in the format prescribed in the Division III of Schedule III to the Companies Act, 2013 (“the Act”) applicable for Non-Banking Finance Companies (“NBFC”) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI.

2.2 Historical Cost Convention:

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below. The Financial statements have been prepared on a going concern basis. The Company presents its balance sheet in order of Liquidity.

2.3 Presentation of Financial Statements

The Company presents its financial statements to comply with Division III of Schedule III to the Companies Act, 2013 (which provides general instructions for the preparation of financial statements of a non-banking financial company (NBFC to comply with Ind AS) and the requirements of Ind AS.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event, the parties also intend to settle on a net basis in the normal course of business.

2.4 Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which are the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

2.5 Summary of Significant Accounting Policies

The following are the significant accounting policies applied by the Company in preparing its financial statements consistently to all the periods presented.

2.6 Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognized in the period in which the results are known / materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

2.7 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short-term deposit with original maturity up to three months, which are subject to insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents consists of cash at bank, cash on hand and short-term deposit, as defined as they are considered as integral part of company’s cash management.

SUN FINLEASE (GUJARAT) LIMITED

2.8 Loans and Advances

Loans and Advances are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate method (where the time value of money is significant) net of any expected credit losses.

2.9 Investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

2.10 Fair value measurement

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement indirectly or indirectly observable, or
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.11 Financial Instruments

Financial instruments are any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial Recognition and measurement

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis.

Subsequent measurement:

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

(a) Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in the Statement of Profit and Loss.

(b) Financial assets at amortized cost

These assets are subsequently measured at amortized cost using the effective interest rate method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in the Statement of Profit and Loss. Any gain or loss on derecognition is recognized in the Statement of Profit and Loss.

(c) Equity investments at FVOCI

These assets are subsequently measured at fair value. Dividends are recognized as income in the Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in Oceans are not reclassified to profit or loss.

Classification and subsequent measurement

Financial Asset

On initial recognition, a financial asset is classified and measured at

- Amortized Cost
- Fair Value Through Other Comprehensive Income (FVOCI); or
- Fair Value Through Profit and Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

SUN FINLEASE (GUJARAT) LIMITED

A financial asset is measured at amortized cost if it meets both of the following conditions and is not recognized as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income (OCI) (designated as FVOCI– equity investment). This election is made on an investment by investment basis.

All financial assets not classified and measured at amortized cost or FVOCI as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI or at FVTPL, if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Derecognition of Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Impairment of financial instruments

The Company recognises loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not Fair Value through Profit and Loss. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk or the assets have become credit impaired from initial recognition in which case, those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognized as an impairment gain or loss in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when, and only when, there is a legally enforceable right to offset the recognised amount and there is intention either to settle on net basis or to realise the assets and to settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows which the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances, if any for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

2.12 Property, plant and equipment

Property, Plant and Equipments are stated at cost less accumulated depreciation, and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

On transition to IND AS, the company has elected to continue with the carrying value of all its property plant & equipment recognized as at 1 April 2018 measured as per previous GAAP and use that carrying value as deemed cost of property, plant and equipment.

Depreciation on Property, plant and equipment

Depreciable amount for property, plant and equipment is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment is provided on straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013. The estimated useful lives and residual values of the Property, plant and equipment are reviewed at the end of each financial year.

Derecognition of Property, plant and equipment

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of property, plant and equipment is measured as the difference between the net disposal in proceeds and the carrying amount of the item and is recognized in the statement of profit and loss when the item is derecognized.

SUN FINLEASE (GUJARAT) LIMITED

2.13 Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Trade and other payables

Trade and other payables are recognized at the transaction cost, which is its fair value, and subsequently measured at amortized cost.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2.14 Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses on EIR amortisation and de-recognition are recognised in profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of loan to the extent that it is probable that some or all the facility will be draw down to the extent there is no evidence, the fee is capitalised as a payment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in statement of profit and loss as other income or other expenses.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statement for issue, not to demand payment as a consequence of the breach.

2.15 Provisions, contingent liabilities and contingent assets

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements; however, they are disclosed where the inflow of economic benefits is probable. When the realization of income is virtually certain, then the related asset is no longer a contingent asset and is recognized as an asset.

2.16 Leases

Effective from 1st April, 2019 the company adopted Ind AS 116 "Leases" and applied the same the lease contracts existing on 1st April, 2019 using the modified retrospective approach, recognizing right of use asset and adjusted lease liability. Accordingly, comparatives for the year ended 31st March, 2019 and other periods disclosed have not been retrospectively adjusted. The effect of the adoption is not significant to the profit for the period.

SUN FINLEASE (GUJARAT) LIMITED

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets, and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

The Company as a Lessee

The Company leases its office premises. The Company previously classified these leases as operating leases under Ind AS 17 – Leases if, substantial portion of the risk and rewards of the ownership were retained by the lessor. Under Ind AS 116 – Leases, the Company recognises Right-of-Use (ROU) and lease liabilities for these leases i.e. these leases are on-balance sheet.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date and is discounted using the Company's incremental borrowing rate. Certain leases include lease and non-lease components, which are accounted for as one single lease component. Occupancy lease agreements, in addition to contractual rent payments, generally include additional payments for certain costs incurred by the landlord, such as maintenance expenses and utilities. To the extent these are fixed or determinable; they are included as part of the lease payments used to measure the lease liability.

Right of use assets are measured at their carrying amount at the commencement date and are discounted using the Company's incremental borrowing rate at the date of initial application. The Right of use assets are subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

Leases may include options to extend or terminate the lease which are included in the Right of Assets and Lease Liability when they are reasonably certain of exercise. The lease liability is premeasured when there is a change in one of the following:

- the Company's estimate of the amount expected to be payable under a residual value guarantee, or
- the Company's assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is premeasured, a corresponding adjustment is made to the carrying amount of the ROU asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the ROU asset has been reduced to nil.

Short-term leases and leases of low-value assets

The Company has elected not to recognise Right of use and lease liabilities for leases of low-value assets and short-term leases. The Company recognises the lease payments associated with these leases as an expense over the lease term.

The Company as a Lessor.

When the Company is the lessor, the lease is classified as either a finance lease or an operating lease. A finance lease is a lease which confers substantially all the risks and rewards of the leased assets on the lessee. An operating lease is a lease where substantially all of the risks and rewards of the leased asset remain with the lessor.

Amounts due from lessees under finance leases are recorded as receivables. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

2.17 Revenue recognition

The Companies (Indian Accounting Standards) Amendment Rules, 2018 issued by the Ministry of Corporate Affairs (MCA) notified Ind AS 115 "Revenue from Contracts with Customers" related to revenue recognition which replaces all existing revenue recognition standards and provide a single, comprehensive model for all contracts with customers. The revised standard contains principles to determine the measurement of revenue and timing of when it is recognized. The amendment also requires additional disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in those judgments as well as assets recognized from costs incurred to fulfil these contracts.

- A. Revenue - Revenue is measured at the fair value of consideration received or receivable. Revenue is recognized only when it can be reliably measured and it is probable that future economic benefits will flow to the Company.
 - a) Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.
 - b) Dividend income is recognized when the Company's right to receive dividend is established.

2.18 Borrowing costs

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as part of cost of such assets. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowings.

Investment income earned on the temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

SUN FINLEASE (GUJARAT) LIMITED

2.19 Retirement and other employee benefits

i. Short-Term Employee Benefits

Liabilities for salaries and wages, including non-monetary benefits and accumulating leave balance in respect of employees' services up to the end of the reporting period, are recognised as expensed when the liabilities are settled.

The company also recognises a liability and records an expense for bonuses (including performance-linked bonuses) where contractually obliged or where there is a past practice that has created a constructive obligation.

ii. Defined Contribution Plan

The company is not liable as well as registered under employee provident fund and employee pension schemes administered by government organisations set up under the applicable statute. Hence, company does not operate any Defined Contribution Plan as provided under Ind AS 19 – Employee Benefits.

iii. Defined Benefit Obligation

The company is not required to provide Gratuity as required under Payment of Gratuity Act, 1972 and hence no obligation has been provided under Defined Benefit Obligation required as per Ind AS 19 – Employee Benefits.

However, Company may decide to pay Gratuity to its existing as well as former employees on Ex-Gratia Basis. Such liability is not being recognised as a liability and recorded as an expense as and when such Gratuity is being paid. The company has no further payment obligations once the Gratuity has been paid.

2.20 Accounting for taxes on income

Tax expense comprises of current and deferred tax.

Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. Current tax is recognized in the statement of profit and loss except to the extent that the tax relates to items recognized directly in other comprehensive income

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities/Assets are recognized for all taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Presentation of current and deferred tax

Current and deferred tax are recognized as income or an expense in the statement of profit and loss, except to the extent they relate to items that are recognized in other comprehensive income, in which case, the current and deferred tax income / expense are recognized in other comprehensive income.

Minimum Alternate Tax (MAT) paid in accordance with tax laws, which give rise to future economic benefits in the form of adjustment of future tax liability, is recognized as an asset only when, based on convincing evidence, it is probable that the future economic benefits associated with it will flow to the Company and the assets can be measured reliably.

2.21 Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the

SUN FINLEASE (GUJARAT) LIMITED

Statement of Profit and Loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

2.22 Earnings per share

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted-average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted-average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares..

3. Significant accounting judgments, estimates and assumptions

The application of the Company's accounting policies as described in Note 2, in the preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognized in the period in which they are revised or in the period of revision and future periods if the revision affects both the current and future periods. Actual results may differ from these estimates which could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key Sources of estimation uncertainty:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

4.0 Regrouped, Recast, Reclassified

Figures of the earlier year have been regrouped or reclassified to conform to Ind AS presentation requirements.

28 FINANCIAL INSTRUMENTS

Financial Risk Management objective and Policies

The company is exposed to market risk, credit risk, liquidity risk and operational and business risk. The Company's senior management oversees the management of these risks.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily impacts financial instruments measured at fair value through profit or loss.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates, which are measured at amortised cost.

Foreign currency risk:

The company enters into transactions in currency other than its functional currency and is therefore exposed to foreign currency risk. The Company analyses currency risk as to which balances outstanding in currency other than the functional currency of that company.

The management has taken a position not to hedge this currency risk.

The company undertakes transactions denominated in foreign currencies, consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are not hedged considering the insignificant impact and period involved on such exposure.

The Company does not have any foreign currency risk. Hence no sensitivity analysis is required

Credit Risk

Credit risk is the risk that the counterparty will not meet its obligations under a financial instrument or a customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities towards inter-corporate deposits to its related and other parties where no significant impact on credit risk has been identified.

Equity Price Risk

The Company's investments in non-listed equity securities are accounted at cost in the financial statements net of impairment. The expected cash flows from these entities are regularly monitored to identify impairment indicators.

Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's Accounts and Finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. The Company manages its liquidity requirement by analysing the maturity pattern of the Company's cash flows of financial assets and financial liabilities. The Company invests its surplus funds in Equity Shares and Mutual Funds, which have high liquidity.

29 FAIR VALUES

The Management assessed that Fair Values of Financial Assets and Liabilities are approximately their carrying values except in case of investment in quoted shares, fair value is taken as per market value of stock as on 31/03/2022.

SUN FINLEASE (GUJARAT) LIMITED

30 FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Principles for Estimating Fair Value

The following summarises the major methods and assumptions used in estimating the fair values of financial instruments reflected in the table.

Fair Value Hierarchy

The table below analyses financial instruments carried at fair value, by valuation method at 31st March, 2022. The different levels have been defined as follows:

Level 1: Category includes financial assets and liabilities that are measured in whole or in significant part by reference to published quotes in an active market.

Level 2: Category includes financial assets and liabilities measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions. These include assets and liabilities for which pricing is obtained via pricing services, but where prices have not been determined in an active market, financial assets with fair values based on broker quotes and assets that are valued using the Company's own valuation models whereby the material assumptions are market observable. The majority of the Company's over-the-counter derivatives and several other instruments not traded in active markets fall within this category

Level 3: Category includes financial assets and liabilities measured using valuation techniques based on non-market observable inputs. This means that fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. However, the fair value measurement objective remains the same, that is, to estimate an exit price from the perspective of the Company.

As at March 31st 2022

Particulars	Total	Fair Value (In Lacs)		
		Level 1	Level 2	Level 3
Fair Value Through Profit and Loss (FVTPL)	-	-	-	-
Investments in Equity Shares	10.65	10.65	-	-
Investments in Mutual Funds	-	-	-	-
Total	10.65	10.65	-	-

As at March 31st 2021

Particulars	Total	Fair Value (In Lacs)		
		Level 1	Level 2	Level 3
Fair Value Through Profit and Loss (FVTPL)	-	-	-	-
Investments in Equity Shares	6.12	6.12	-	-
Investments in Mutual Funds	-	-	-	-
Total	6.12	6.12	-	-

The carrying amount of other payables, borrowings, other financial liabilities, loans, other financial assets, cash and cash equivalents as at 31st March, 2022 and 31st March, 2021, are considered to the same as fair values, due to their short-term nature. These are classified as Level 3 fair value hierarchy due to inclusion of unobservable inputs including counter party credit risk.

During the reporting period ending 31st March, 2022, there were no transfers between Level 1, Level 2 and Level 3 fair value measurements.

31 DETAILS OF DUES TO MICRO, SMALL AND MEDIUM ENTERPRISES AS PER MSMED ACT, 2006

Based on the information received by the company, there are no amounts due but remaining unpaid as on 31/03/2022 to any suppliers covered under this act as at the balance sheet date and hence, disclosures relating to amounts unpaid as at the year-end together with interest paid/payable as required under the said Act have not been given.

32 LEASES

For the reporting period, company does not have any lease contract for which Right-of-Use (ROU) of asset is required to be recognised. As company has availed the exemption provided in Ind AS 116 – Leases pertaining to short term leases, there is no significant impact on financial performance or financial position of the company.
