KUTCH CROSSES 100 PC-MARK

Despite delayed monsoon onset, state receives 40 per cent rain so far

EXPRESS NEWS SERVICE
AHMEDABAD, JULY 9

ALTHOUGH THE southwest monsoon marked its onset on June 25, nearly 10 days later than its normal onset, the state has recorded a higher rainfall compared to the previous year. A fortnight into the onset of the Southwest monsoon, Gujarat received an average 40 per cent rainfall with the Kutch region alone receiving 104 per cent of the season's share.

Gujarat recorded higher rainfall due to Cyclone Biparjoy followed by an active monsoon. The state's average last year as on this day was 27.69 per cent or 235.44 mm.

With 484 mm rainfall recorded as on July 9, Kutch has surpassed the 100 per cent average rainfall-mark as it has recorded 104.44 mm rainfall, according to the State Emergency Operation Centre (SEOC) rainfall records.

However, compared to July 29, 2022, Kutch recorded less than half – 51.84 per cent or 237 mm rainfall.

While on one hand, Kutch has recorded over 104 mm rainfall, the East central region did not even get 30 per cent of season's average rainfall. The region comprising districts of Ahmedabad, Kheda, Anand, Chhota Udepur, Panchmahal, Mahisagar, Dahod, Anand and Vadodara has received 27.66 per cent rainfall (223.95 mm).

Following Kutch, Saurashtra recorded 58.12 per cent or 419.59 mm rainfall. Among the five regions, South Gujarat recorded 30.88 per cent and North Gujarat 39.64 per cent.

The month-wise rainfall figures reveal that June received 242.96 mm rainfall and July 110.3 mm.

Among districts, other than Kutch, Junagadh has recorded the highest rainfall of 77 per cent of

Water-logging at Ring Road near Nana Muva Circle in Rajkot; (below) Work in progress at the site where a road caved in near Dariyapur Darwaza in Ahmedabad Sunday.

season's average rainfall followed by Jamnagar (66.9 per cent).

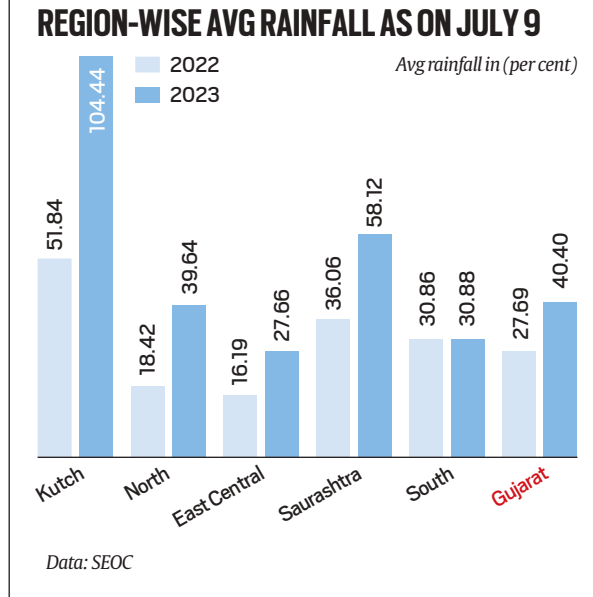

On Sunday, most parts of the state received rainfall as 218 talukas out of the total 251 reported rainfall till 4 pm. The districts of Rajkot, Patan, Kutch, Devbhoomi Dwarka, Banaskantha, Surendranagar, Junagadh, Botad, Mehsana, Morbi, Gandhinagar and Ahmedabad recorded heavy rainfall, too.

More rainfall to follow The India Meteorological Department's Ahmedabad regional director Manorama Mohanty said most parts of Gujarat are expected to continue receiving heavy to very heavy rainfall on July 10. The state is expected to receive rainfall for the next five days. However, this will start receding from July 11, she stated.

"In the next 24 hours, most places in the entire state are likely to receive rainfall along with heavy to very heavy rainfall like Banaskantha, Patan,

Surendranagar, Morbi and Kutch and some other districts," Mohanty added. "For Ahmedabad and Gandhinagar, light to moderate with chances of heavy rainfall is expected on Monday," she said. "A fishermen warning, too, has been issued as during the next 24 hours sea would be rough with strong winds," weather officials stated.

Due to active monsoon conditions, squally weather is very likely to prevail along and off North and South Gujarat coast high waves in the range of 3.5 to 4.6 metre are forecasted till late Sunday night along the coast from Jakhau to Diu off the Gujarat coast.

"Heavy to very heavy rains are very likely expected in the district of Anand and Bharuch. Heavy rains at isolated places in the districts of Patan, Sabarkantha, Kheda, Ahmedabad, Panchmahal and Vadodara; in the districts of Saurashtra, namely Surendranagar, Junagadh, Bhavnagar and Botad," the state's weather bulletin for Monday stated, adding light thunderstorm with lightning and surface wind 30-40 kmph (in gust) accompanied with light to moderate rain across the state.

For Tuesday (July 11), heavy rains are expected in the districts of the South Gujarat region, namely Bharuch, Surat, Navsari and Valsad, and in the Saurashtra districts of Amreli and Bhavnagar.

EXPRESS NEWS SERVICE
RAJKOT, JULY 9

RESIDENTS OF BHUJ, the district headquarters of Kutch, celebrated as Hamirsar -- the historic lake located in the heart of the city -- overflowed Sunday following heavy rains in its catchment area for the past two days. As is the tradition, the district collector declared a holiday in the town on Monday even as Ghanshyam Thakkar, president of Bhuj municipality announced that the municipality would formally celebrate the event on Monday noon.

Citing a report of the Bhuj municipality, Kutch Collector Amit Arora said Hamirsar started overflowing at 11:42 am Sunday.

Meanwhile, the residents of the town in the semi-arid Kutch region thronged the lake after it started overflowing. According to Kutch district flood control room in Bhuj, the taluka received 1.64 inch rain on Sunday after 2.36 inches Saturday.

With that, Bhuj has logged 25.48 inches since June 1 this year.

The long-term annual average rainfall in Bhuj is just

Hamirsar lake in Bhuj on Sunday. Mayur Pomal

17.36 inches. However, this year, the rainfall has already crossed its average mark with almost three months of rainy season to go.

"I bow down to goddess Ashapura, the patron deity of Kutch. Thanks to her blessings,

I am getting an opportunity to welcome the overflowing waters of Hamirsar for the second time," Thakkar, Bhuj municipality president, said, adding he would lead the civic body in formally celebrating the overflowing of the lake on Monday noon.

'Objectionable' comments on Shivaji: Man held in Vadodara

PRESS TRUST OF INDIA
VADODARA, JULY 9

A MAN was arrested in Vadodara for allegedly making objectionable comments on Chhatrapati Shivaji Maharaj, an official said Sunday.

The accused, identified as Aryan Patel, had an argument with a friend during which he made some objectionable comments on the 17th century Maratha king, the official from Vadodara taluka police station said.

The remarks were captured in a video recorded using a mobile phone which was shared on social media, police said. An FIR was registered on Friday night and the accused was arrested on Saturday, inspector AU Gohil said.

Complainant Deepak Palkar alleged the accused used foul language in public against Chhatrapati Shivaji Maharaj, thereby hurting feelings of the Hindu community, according to the FIR. The complainant said he received a video on WhatsApp in which the accused was heard making objectionable comments against Shivaji Maharaj in public.

The FIR was registered against the accused under various sections of the Indian Penal Code.
